THE PERFECT INCOME PLAN

Every Month the Same - You Are Again Short on Cash!

Your income is small and your bills are big: You delay payments – you borrow more money – you sink deeper into debt.

THE PERFECT INCOME PLAN (PIP) Is a Simple Guide to Massive Cash.

Anyone can get out of poverty with this simple road map to a richer life.

As PIP OWNER Your Wallet Always Bulges with CASH.

PIP directs 12 people to keep on supplying you with an endless flood of cash.

PIP Starts with Immediate Cash Flow

You buy the Perfect Income Plan by sending \$25 cash to 3 PIP Owners.

Then you use this flyer to sell PIPs for you to make either \$975 or \$2,100 or more upfront.

Here Is How

Just send this PIP flyer to any of the millions who are struggling with the misery of always being short on cash.

Look at You – don't you want to get out of Cash-Shortage? Of course you do.

HERE IS HOW YOU MAKE IT HAPPEN – from your one-time mailing this flyer, let's say, 4 people buy PIP ---

Those 4 PIP buyers send you **\$25 CASH** each – a total of **\$100**

Now you have 4 people sending out PIP flyers for you – you make money from their efforts. Because...

...Each of those 4 PIP owners also makes 4 sales. That is $4 \times 4 = 16$

Those 16 PIP buyers send you **\$25 CASH** each – a total of **\$400**

Now there are 16 PIP owners and each of them also send out this flyer and each makes 4 sales. That is $16 \times 4 = 64$

Those 64 PIP buyers send you **\$25 CASH** each – a total of **\$1,600**

The easiest **\$2,100** you have ever earned.

BUT THAT IS JUST THE BEGINNING

Armed with that upfront cash the PIP will show you how to ignite an Atomic Cash Explosion.

You will be able to multiply two \$100 bills 135 times into an incredible \$27,000

What is even more surprising, YOU NEVER DO ANY SPONSORING

YET THE BEST THING ABOUT THE PIP IS – to keep on getting all that cash you just spend less than ONE HOUR each week. The rest of the 167 hours of the week you can spend as you see fit.

Now Let's Answer Two of the Most Important Questions (1) Is It Really True? Can anyone actually make that kind of money? Are you struggling financially – do you want to be better off? If the PIP gets you there will you buy it? Of course you will – today! So will all the millions who are strapped for cash. **(2) Is it Legal?**

Ask yourself, what will you be doing? **YOU WILL SELL A POWERFUL PRODUCT** to solve many people's bad financial situation. Nothing is illegal doing that? In fact it is your civic duty to help others to improve their life.

If you have never made money from income opportunities – Here's your chance...

No More Scams – No More Empty Promises – No More Wasting Money, Time and Effort.

THIS IS THE BLESSING YOU HAVE BEEN WAITING FOR – Order your PIP now.
